Flat Sign

Premium. Long-Lasting. Professional.

At SignandPrintCreation, we specialise in Dibond shop signs — the ultimate choice for businesses that want a premium, long-term signage solution. Made from 3mm aluminium composite panels, Dibond is strong, weather-resistant, and designed to give your storefront a professional finish that lasts for years.

Printed in high-resolution full colour with UV-cured inks, your graphics will stay sharp and vibrant in all weather conditions. For extra durability and finish, you can choose high-gloss or matte lamination.

Why choose us?

- High-quality, long-lasting shop signage
- Quick production turnaround
- Optional in-store pick-up at our Dalkeith shop
- Waterproof, UV-protected prints
- Trusted local experts in signage, print & branding

Perfect for:

- Shopfront signage for retail stores & boutiques
- Restaurant, café & bar fascias
- Office & business branding
- Directional & outdoor building signs
- Salon, gym & studio signage
- Estate agent & property office fronts
- Schools, colleges & public buildings

Sleek, strong, and built to impress — Dibond signs are the professional choice for any shopfront or business. Visit us online at www.signandprintcreation.co.uk

Lightweight. Durable. Brilliant Prints.

At Sign and Print Creation, we produce custom printed foamboard signs that help your brand stand out. Lightweight yet sturdy, they're an affordable choice for professional signage that looks sharp and lasts. Our foamboards are printed in vivid full colour on 3mm board as standard, with a 5mm option for extra rigidity. Each board comes with a glossy waterproof finish as standard, using UV-cured inks for maximum durability. For an extra touch, choose high-gloss or matte lamination.

Why choose us?

- Quick production turnaround – signs ready when you need them
- Optional in-store pick-up at our Dalkeith shop
- Durable, waterproof, UV-cured prints
- Trusted local experts in signage, print & packaging

Perfect for:

- Retail point-of-sale displays
- Menu boards for cafés, bars & restaurants
- Promotional posters & seasonal offers
- In-store product displays
- Exhibition & trade show graphics
- Event branding & sponsor boards
- Directional & wayfinding signs
- Conferences & seminars
- Educational charts & school projects
- Photo backdrops & decorative wall panels
- Weddings, parties & community events
- Real estate property signage
- Pitch & presentation boards
- Temporary outdoor displays (with lamination)

Strong, sleek, and versatile — our foamboard signs are built to impress, wherever you use them.

☎ Visit us online at www.signandprintcreation.co.uk

Tough. Lightweight. Weatherproof.

At Sign and Print Creation, we produce custom printed Correx signs that are built for impact. Made from durable 4mm corrugated plastic board, Correx is the go-to choice for temporary signage that can withstand the elements while staying lightweight and easy to handle.

Printed in vivid full colour with UV-cured, waterproof inks, our Correx signs are designed to last indoors or outdoors. For extra protection, you can also choose high-gloss or matte lamination.

Why choose us?

- Fast production turnaround – ready when you need them
- Optional in-store pick-up at our Dalkeith shop
- Durable, waterproof, UV-cured prints
- Trusted local experts in signage, print & packaging
- Affordable bulk pricing for campaigns & events

Perfect for:

- Estate agent boards & property signage
- Construction site safety signs
- Retail point-of-sale promotions
- Outdoor events & festivals Election campaign boards Directional & wayfinding signs
- Temporary advertising boards Sports events & sponsorship signage Community & charity event signs Menu boards & offers for cafés and takeaways School & educational event signage
- Market stalls & pop-up shops

Bold. Vibrant. Eye-Catching.

At SignandPrintCreation, we create custom posters that put your message in the spotlight. Whether you need a single display piece or a large campaign run, our posters deliver high-quality, professional results every time.

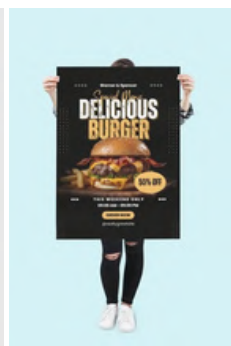

Printed in high-resolution full colour with UV-cured inks, our posters are sharp, durable, and made to last. Choose from Glossy, Satin, or Matte finishes as standard, or upgrade to tearproof stock for extra resilience. For premium events, we also offer exhibition-quality prints (available on enquiry).

Why choose us?

- Quick production turnaround
- Optional in-store pick-up at our Dalkeith shop
- Tearproof & waterproof options available
- Glossy, Satin & Matte finishes to suit your style
- High-quality & exhibition-grade prints on request
- Volume production capability for campaigns & events
- Trusted local experts in print & signage

Perfect for:

- Retail promotions & in-store displays
- Event posters for concerts, parties & festivals
- Film, theatre & show advertising
- Educational charts & classroom materials
- Café, bar & restaurant menus
- Campaigns & fundraising drives
- Office & workplace displays
- Home décor & personalised artwork

From everyday posters to premium exhibition prints, we've got the quality, finishes, and production power to bring your ideas to life.

Transform Your Windows. Transform Your Space.

At Sign and Print Creation, we design and produce custom window graphics that turn plain glass into eye-catching branding or stylish decoration. Whether it's for your shopfront, office, or event space, our window graphics are printed in high-resolution full colour with durable, UV-cured inks.

We offer a range of options to suit every application:

Why choose us?

- Quick production turnaround
- Optional in-store pick-up at our Dalkeith shop
- Durable, waterproof, UV-cured prints
- High-quality finishes for a professional look
- Flexible solutions for both temporary & long-term use

Standard Window Vinyl

- Applied outside of glass
- Weatherproof & durable
- Great for shopfront branding & promotions

Reverse Vinyl Graphics

- Applied inside, facing out
- Protected from weather & vandalism
- Ideal for long-term outdoor visibility

Static Cling Film

- Non-adhesive, re-usable
- Easy to apply & remove
- Perfect for seasonal & temporary graphics

Perfect for:

- Retail shopfronts & point-of-sale promotions
- Café, bar & restaurant windows
- Seasonal & holiday graphics
- Office branding & privacy graphics
- Event & exhibition signage
- Schools, gyms & community spaces

Bring your windows to life with vibrant graphics that turn heads, attract customers, and elevate your brand.

👉 Visit us at www.signandprintcreation.co.uk

Perforated Window Graphics | One way Vision

Turn your windows into bold advertising space while keeping visibility from inside. Printed on premium perforated vinyl, this material delivers vibrant designs from the outside while allowing natural light in and maintaining a clear view out from the inside.

Features:

- One-way vision effect – see out, not in
- High-quality, UV-cured, weatherproof prints
- Durable and long-lasting for outdoor use

Applications:

- Shopfront advertising
- Privacy graphics for offices
- Vehicle window branding
- Large promotional campaigns
- Event and exhibition graphics

Why Choose Us?

- Fast turnaround and in-house production
- Optional in-store pick-up at our facility:
- 📍 41 High Street, Dalkeith – see the quality in person
- Friendly advice and support for the best finish
- Order online anytime at www.signandprintcreation.co.uk

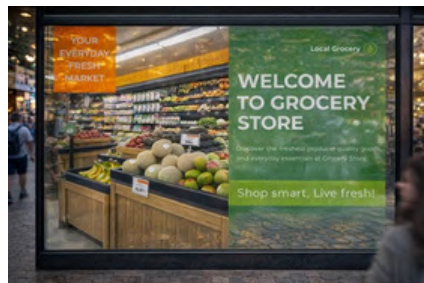

From everyday posters to premium exhibition prints, we've got the quality, finishes, and production power to bring your ideas to life.

One way Vision window graphics

Standard Window Graphics

FAQ -helping you to choose - window graphics

Standard Window Vinyl

- Applied outside of glass
- Weatherproof & durable
- Great for shopfront branding & promotions

Reverse Vinyl Graphics

- Applied inside, facing out
- Protected from weather & vandalism
- Ideal for long-term outdoor visibility

Static Cling Film

- Non-adhesive, re-usable
- Easy to apply & remove
- Perfect for seasonal & temporary graphics

Perforated Window Graphics

- One-way vision effect
- High-quality, UV-cured weatherproof prints
- Durable and long-lasting for outdoor use

Q: I want permanent graphics that really stand out.

A: Our Standard Window Vinyl is the best option. It's applied to the outside of your windows, making it weatherproof, durable, and eye-catching — ideal for shopfronts, opening hours, and promotions.

Q: I'd like graphics that last but are protected from rain and vandalism.

A: Reverse Vinyl Graphics are applied to the inside of the glass, facing outward. They give you the same vibrant look but stay safe from damage and the weather.

Q: I need something I can put up quickly and reuse.

A: That's exactly what our Static Cling Film is for. It's non-adhesive, reusable, and easy to apply or remove, making it great for sales, seasonal promotions, and events.

Q: Can I advertise outside but still see out from the inside?

A: Go for Perforated Window Graphics. They give you a one-way vision effect – people outside see your design, but from inside, you can still see through and let in natural light.

Q: Can these graphics be used on office windows too?

A: Yes! All our window graphics are great for offices, studios, gyms, and schools. They're perfect for privacy, branding, and decoration, while still looking professional.

Q: What if I only want something temporary for an event or short promotion?

A: Both Static Cling Film and Perforated Graphics work perfectly for temporary campaigns. They're easy to install and remove, making them popular for festivals, exhibitions, and seasonal offers.

Q: Can you help me choose the right option?

A: Of course! Our team is always happy to give advice. You can even pop into our production facility at 41 High Street, Dalkeith to see samples and get a feel for the materials before ordering.

Banner Printing

Banner Printing – Two Durable Options

At Sign and Print Creation, we produce high-quality banners using UV-cured inks that deliver vibrant, weather-resistant prints built to last. Choose from Standard PVC Banners or Mesh Banners, depending on your needs.

Standard PVC Banner

- Material: Solid PVC, thick and durable
- Best For: Everyday use, indoor & outdoor advertising
- Print Quality: Rich, vibrant, full-colour graphics
- Applications: Shopfronts, promotions, events, exhibitions, roadside advertising
- Strength: Waterproof and tear-resistant
- Benefit: Great all-rounder, perfect when wind is not a concern

Mesh Banner

- Material: PVC with tiny perforations for airflow
- Best For: Outdoor use in windy or exposed locations
- Print Quality: Crisp UV-cured print while reducing wind resistance
- Applications: Scaffolding, construction site wraps, festivals, stadiums, large building graphics
- Strength: Lightweight yet strong, reduces wind strain and risk of tearing
- Benefit: Long-lasting outdoor performance with improved stability
- 📍 Both options are available in any custom size, with quick production and optional in-store pick-up at 41 High Street, Dalkeith.
- 🌐 Visit our website or pop into our production facility to see the quality in person.

RollerBanner | PullUpBanner

Make a strong impression anywhere with our roller banners, also known as pull-up banners.

Portable, professional, and easy to set up, they're the perfect display tool for events, exhibitions, or in-store promotions.

Printed in high-resolution full colour on durable, tear-resistant material with UV-cured inks, our roller banners are designed to last and look great every time you roll them out.

Key Features

- Easy to use: Quick to assemble and pack away
- Durable print: UV-cured for sharp, vibrant colours
- Material: Tear-resistant, lightweight, and smooth finish
- Portability: Comes with a padded carry bag for easy transport
- Sizes: Available in standard widths (e.g. 800mm, 1000mm) with full-height graphics

Perfect For

- Exhibitions & trade shows
- Conferences & corporate events
- In-store promotions & seasonal offers
- Reception areas & welcome displays
- Presentations, seminars & workshops

At Sign and Print Creation, we specialise in quick turnaround and offer optional in-store pick-up at 41 High Street, Dalkeith. You're welcome to visit our production facility to see samples before you order.

-  Visit our website or pop into our production facility to see the quality in person.

Pavement Signs

Our Metal Framed Pavement Sign is a durable and stylish choice for businesses looking to attract attention on busy streets. Built to withstand the demands of daily use, this sign combines a 500 x 750mm white display panel with a heavy-duty black PVC base, making it sturdy enough to stay upright even in windy conditions.

Key Features

- Panel Size: 500 x 750mm – perfect for high-impact graphics and promotional messaging.
- Base: Solid black PVC base designed for stability – wind won't easily knock it over.
- Frame: Constructed from 50x25mm oval steel tubing for a sleek, professional finish.
- Frame Colours: Available in white or black to suit your branding.
- Weight: 16kg – heavy enough for outdoor use, yet manageable for moving around when needed.

At Sign and Print Creation, we specialise in quick turnaround and offer optional in-store pick-up at 41 High Street, Dalkeith. You're welcome to visit our production facility to see samples before you order.

-  Visit our website or pop into our production facility to see the quality in person.

Ballard Sign I 4mm Corrugated Bollard Covers

4mm Corrugated Bollard Covers

Durable. Lightweight. Eye-Catching.

Our 4mm corrugated bollard covers are a perfect way to turn ordinary bollards into powerful advertising or directional tools. Designed for outdoor durability and visual impact, they're ideal for promotions, events, safety messaging, or brand awareness in car parks, forecourts, and retail areas.

Product Features

- Material: 4mm corrugated polypropylene (fluted board)
- Weather Resistant: Suitable for both indoor and outdoor use
- Lightweight & Strong: Easy to handle, yet built to last
- Full-Colour Printing: High-resolution UV print for vivid, fade-resistant graphics
- Custom Sizes: Made to fit most standard bollards
- Foldable Design: Flat-packed for convenient storage and quick setup

Benefits

- Transform dull bollards into bold promotional displays
- Promote sales, events, or brand identity effectively
- Quick to install and remove – no tools required
- Reusable and recyclable for eco-friendly use

Perfect For

- Car parks
- Petrol stations
- Retail stores
- Event venues
- Local campaigns

Custom Floor Graphics – Durable, Eye-Catching & Slip-Resistant

Transform your floors into powerful advertising space with our custom printed floor graphics. Whether you're promoting a sale, guiding customers through your shop, or adding a creative touch to your event, our floor graphics are designed to grab attention while standing up to daily foot traffic.

We print on durable, slip-resistant vinyl with a matte finish that reduces glare under bright lights. Perfect for retail stores, shopping centres, exhibitions, gyms, hospitality venues, and more.

Key Features

- Custom Sizes – Send us your measurements, and we'll create graphics to fit your space perfectly.
- Digital Proof Provided – Approve your design before we print.
- Slip-Resistant & Durable – Safe for public spaces, built to last.
- Indoor & Short-Term Outdoor Use – Strong adhesion that stays put but is easy to remove when needed.
- High-Quality Print – UV-cured inks for vibrant colours and long-lasting impressions.

Applications

- Retail promotions & seasonal sales
- Supermarket directional signage
- Events & exhibitions
- Hospitality branding (cafés, restaurants, hotels)
- Safety messaging & social distancing markers

At Sign and Print Creation, we specialise in quick turnaround and offer optional in-store pick-up at 41 High Street, Dalkeith. You're welcome to visit our production facility to see samples before you order.

-  Visit our website or pop into our production facility to see the quality in person.
